

Optional Extras

Engagement Movie £750

A chance to start your wedding day film with an intimate romantic contemporary sequence including optional interviews set to a music track of your choice, filmed before the wedding day.

Evening Celebrations from £250 per camera, per hour

Coverage of dancing, live entertainment and firework display after 9pm to midnight. £375 per camera, per hour after midnight.

Extra Camera £750 up to 9pm

Take advantage of an extra camera to capture additional footage at larger weddings and both the bride and groom during the ceremony and vows to produce a split screen in the final edit, as seen on our showreel.

Extra Morning Coverage £250 per camera, per hour

Extended coverage of the morning preparations, ideal for that early morning hair appointment or round of golf! This option is essential if you have a particularly long car journey to the wedding ceremony and venue.

Family Events and Special Occasions

Any family event or special occasion covered including:

- Anniversaries • Birthdays: 18th, 21st, 30th, 40th, etc. • Christenings • Engagements
- Hen Parties • Stag Parties

Details and prices available on request.

i-Pod and Portable Devices from £250

Keep your memories close to you wherever you go by downloading highlights of your wedding day film to your i-Pod, mobile or portable device.

Live Video Projection

Have a live feed from our cameras projected onto a big screen, ideally suited for larger weddings with an overspill in the ceremony or for a live musical performance in the evening.

Details and prices available on request.

Live Wedding Webcast £950

Stream your wedding ceremony and speeches live as they happen on the world wide web for absent family and friends.

Same Day Screening £750

Have highlights of your ceremony edited and screened later in the day for the benefit of evening guests.

Share Online £500

Share your wedding day film with family and friends online, perfect for guests who were unable to attend, or those who live abroad. Video hosted on a secure server for 12 months.

Special End Sequence £750

This edit includes a twenty minute slow motion sequence, featuring a black and white montage of the whole day's events followed by the ceremony and speeches in colour and real time. Choose this twenty minute sequence either as an alternative to the contemporary edit, or as an optional extra.

Unmanned Camera £150 per hour

An unmanned camera can also be used to record a live audio feed direct from the venue's sound system or the band's mixing desk, perfect if you have a live band performing in the evening and to produce a better sound for the edit.

Wedding Day Music Video £1250

Enjoy the fun of being pop stars on your wedding day! Simply choose a song, learn the words, allow an hour in your schedule and leave the rest to us. This unique and international award winning innovation, pioneered by The Graham Fenton Experience Limited serves as the perfect ending to your wedding day film, as seen on Wedding TV.
